ANTI - BULLYING COMMITTEE: 2025 -26

Bullying implies an intention to harm, intimidate or coerce an act when there is an imbalance of power and the act is a cause for distress and provocation. Bullying may be verbal, physical or mental in nature and a whole spectrum of acts can constitute bullying. It can become a source of trauma for children and young adults and remain with them their whole lives, often leading to mental distress and depression, and in extreme situations, even suicide.

To deal with the predicament of bullying the school has constituted a committee to look into any incident of bullying. The committee is authorised to take appropriate measures to deal with concerns related to bullying.

In every bullying situation, there are typically three ki parties - the victim, the bully/ bullies and the bystanders, who are aware of bullying. Each of these three parties is affected negatively by bullying.
